“ My Jon Jon, I have missed him so much since my retirement, and since we are no longer able to visit houses I was unable to visit. When I was working his home in the mornings he always greeted me with a smile and a hug, sometimes a kiss. After breakfast and meds we would go to his room and pick out a change of clothes for after lunch. I always let him pick. When I would be doing my morning note he would sneak in the room and slam the door when I would yell because he scared me. He loved to dance to Cajun Music and loves to sing along with Elvira and a gospel song No Not One. Jon would also take your shoe and take off with it and laugh. I cold go on and on. JON JON I LOVED YOU VERY MUCH! RIP MY DEAR ONE, ENTER HEAVEN DANCING AND SINGING. OH YEAH I GOY YOU SOME TIC TACS. LOL.

“ Mr. and Mrs. Koonce, I worked with Jonathan for many years at his home. It was such a shock to hear about your loss. Jon had a great spirit and a great sense of humor. Although some people may not have understood his words, all those that knew him well and worked with him daily certainly knew what he was trying to say. I will remember his laugh and love of music. My favorite memory was me and him singing Silver Bells at Christmas every year. I would sing the Silver Bells part and he would follow with dah, dah, dah and he never missed a beat. I hope it's a comfort to know Jon can now talk, walk and will be seizure free in his new home in heaven. Please know you and your family are in my thoughts and prayers and I love you both

“ When I think of Jon I remember his sweet spirit and pure heart. For many years we shared Sunday mornings with me sitting behind Jon and his family during worship. Jon never failed in acknowledging me often times simply reaching his arm back at touching my arm or leg (or grabbing my skirt). The one morning I will always cherish is the Sunday I was so distraught over the impending passing of my Mother that when we sang “It is Well with my Soul”, Jon reached back and took my hand and held it. Today with tears of love I rejoice that Jon is in the arms of Jesus. Mary G.

“ To Mr.and Mrs. Koonce and family,you have my deepest sympathy. Jon's home was the first home I worked at when I started working at SDS. Even though I wasn't at his home anymore,I still saw him at the center. Some mornings I would get a grunt and some mornings I'd get a good morning. But no matter what I always got his scratch on my back. I always called him Koonce or JK. He loved his family feud and loved to sing Elvira. My heart broke when I heard of JK passing,because even though we aren't supposed to refer to them as babies,he was mine. I'd ask Jk sometimes does he miss me at his house,he would tell me yes,in his own way. Then I would tell him all he miss is my cooking and the dessert I'd fix. He would give me a smile and roll himself to the next person.Even though things was limited for him to do,he still wanted to be independent.RIP JK, I love you and will miss you so much. God makes no mistakes when he chooses his angels and he has chosen a great person.

“ Mr and Mrs. Koonce john will be missed. I worked at sds a feed years back. John was such a joy and a blessing to be around. He was always in a good mood. He lived to sing his song and be around others. He was a very special person and will be greatly missed. Prayers for your family and those who work at sds I know they will miss him to. I pray for for strength and peace knowing that Jon will be singing and dancing with the angles in heaven.

“ I have so many loving memories of Jon and his family. My days with him at Eastside School are some of my happiest. Jon was always happy and never met a stranger. Mary Ellen and Buddy were always among some of the most supportive and cooperative parents I ever had to work with. Jon is now telling all of his friends his wealth of stories and trying out his new wings and legs. He was and is much loved and will be remembered for many years to come.
