

Mr. Michael "Ozzy" Hudson

March 2, 1987 - June 29, 2015

Mr. Michael "Ozzy" Hudson, age 28, of Shelbyville, passed away Monday, June 29, 2015, after an extended illness.

The family will receive visitors 5-7 PM Wednesday, July 1, 2015, at Feldhaus Memorial Chapel.

A Celebration of Life Service will be held at a later date.

He was born March 2, 1987, in Shelbyville, to Lisa Harden Hudson, and the late Kenny Hudson. He attended Shelbyville Central High School and worked customer service at Goodwill and the BP stations.

In addition to his father, he was preceded in death by great grandparents, James and Lottie Harden and Elizabeth Smith; grandparents, Pat Hill, Robert Harden and Charles Hudson.

Survivors include his mother, Lisa Hudson, of Columbia, great grandfather, John Phillip Smith, of Bell Buckle, grandmothers, Connie Harden and Margaret Hudson, of Shelbyville; brothers and sisters, Danielle Harden, Dylan Davis, Tristan Harden, Robert Harden, and Zachary Hudson, four nieces and numerous cousins and other family.

Michael was with us 28 short years. He loved to party, listen to music, and enjoyed being surrounded by friends and family. Michael loved his music. He looked forward to playing with his little cousins, whom he called creatures, critters, and other nicknames. Michael was the biggest prankster in our family. He joked around so much; you never knew when he was being serious. He will be missed and live forever in our hearts.

Feldhaus Memorial Chapel is assisting the family with the arrangements.

“ Michael was more of a brother to me than my 1st cousin ... We grew up side by side...mostly all my childhood memories involve him :) if we wasn't trying to aggravate one another we was plotting/scheming together on something or somebody else .. We'd argue over me watching Barney or him watching power rangers... Well you can't beat em join em ((I found myself doin that a lot cause I knew what the outcome would be"us beating the crap out of each other"))so Thats when we agreed on teenage mutant ninja turtles ... I remember playing video games on the sega or Nintendo I would get scared of the fight scenes and make Michael fight them for me then make him give me the controller back lol.... Or when he got poison ivy and his face and eyes swelled up (Me of course bein lil n not knowin what poison ivy was) i thought he wasn't gonna make itI remember crying in the backseat thinking of all the mean things Id ever said to him ... And hopin he was gonna be okay cause of the "deadly poison ivy" ...there's SO many memories with me and him it's unreal ... He was always tryna prank somebody which lookin at it now he got a lot of that from my grandpa ...and of course they aggravated each other....Michael had a few different personalities .. You had to know how to take himthe days when I'm sad or he pops n my head I cry, shed a tearthen it's followed by a smile cause I KNOW Michael is happier and in a better place walking with two of the strongest most wise men I've ever known ! I love you Michael Kenneth Hudson and I can't wait for the day were reunited !!!!

“ I am saddened to hear about young Ozzy. He was an awesome young-man. Polite, funny and wise beyond his years. I was relieved when he made it through a car-crash some years ago. It seemed he was so friendly; that he sometimes was in bad-company. I think he was a diamond, and my condolences are with his loved-ones.
