“ My heart is heavy with the news of Suzanne's passing . One of the sweetest person's I have ever known. She fought a long battle with MS over the years , and always with a smile on her face . I have known Suzanne from the time she was born. A kind , caring and loving person she was . A loving Mother, and grandmother , they were the joy of her life . God has called you home now, where you will have a new body . No more pain and suffering . Your work on earth is done . You are now reunited with your Mother, Helen and your Uncle James in God's home . I cherish the memories of you , and I will always remember and love you . My deepest sympathy and prayers are with your daughter and granddaughters.

With Love, Aunt Kelly

“ Suzanne was one of the sweetest people that I have ever known. We have been friends since childhood. We spent many summer days playing together at her Granny Ruby's house. Heaven sure gained a beautiful angel when she took her heavenly flight. My prayers go out to Helen and the family. Jennifer Seibers Brewer
