“ Paula and I are so distressed to hear of Teri's passing. Her great love for family, her sense of service to others as a nurse are the things we remember in our association with her. Paula remembers discussions with Teri about raising boys, a role they both have done well. Our heart, and our prayers go to Tracy and the boys as they grieve at this loss. We pray for Tracy a special measure of God's grace in the coming months as he continues this "life under the sun".
