“ I would like to add that Vicky is the biological daughter of my dad's brother Jim Carder ( deceased 1963) . Vicky was happy to have contact with the Carders throughout her life- she was interested in us and we were interested in her. Sending sincere condolences to the Arney and Anderson families.

“ I am missing my first cousin Vicky, and feel like I have lost the sister that I never had. Vicky and I were the only granddaughters of Eleanor and Howard Carder. She was loved and will be missed by her Canadian Carder Family; myself Danielle Carder( Larry Foster); her Uncle Robert Carder (Margo), and cousin Rob Carder (Yasuko) . Also missed by her Adamson cousins. ~ She was also a special cousin to my brother Christopher Carder, who passed away in 2018. Chris visited with Vicky and Luke on several Easters.

I have been sharing life stories with Vicky by mail for 50 years. She introduced me to putting fancy stickers on envelopes - something that I still do. I anxiously awaited Vicky's letters over the years. We had quite a bit in common. I am so happy that we got to spend time together recently when she visited my house, and for all the other times that we got to spend together over the years.
